Headteacher: Linda Stay / Deputy Headteacher: Seema Sharma / Chair of Governors: David Turner

At Lea Nursery we engage in cultural capital events, festivals and celebrations throughout the year and these experiences offer lots of opportunities for children's **curriculum skills development** expected to be covered during a child's time in the Early Years Foundation Stage. We also ensure that we maintain our links with parents and offer a variety of parent information sessions throughout the year. Outlined below is an overview of the curriculum aspects to be covered, the main planned experiences and parent meetings for the Autumn Term 2023.
