

At Lea Nursery we engage in events, festivals and celebrations throughout the year. We have carefully chosen parent information sessions, curriculum enhancements and memorable experiences which we would like to provide our children and families during their time in the Nursery. Outlined below are the main planned experiences we intend to deliver for our children. There may also be other events and experiences we engage in due to our children's evolving interests in the world around them. Confirmed Dates and times will be shared with you via our newsletters & text service.

Autumn Term 1	Autumn Term 2	Spring Term 1	Spring Term 2	Summer Term 1	Summer Term 2
