Head Teacher: Miss Nikki Elsmore-Cary

Chair of Governors: David Maclsaac

25th March 2020

Dear Parents and carers

We seem to be living in scary times- I hope this newsletter finds you warm and healthy at home with your children.

As you are aware schools are currently closed to most children due to COVID19. We remain open for the children of keyworkers and for those children classified as vulnerable due to special educational needs or because of social care involvement.

If you are a keyworker and need to bring your child into Nursery then please e-mail head@lea-nursery.slough.sch.uk before 12am at least one working day before you need the place. That way we can ensure that we have enough staff in place to support the children attending. On days when no children need a place we will not be opening the Nursery at all. I have a duty of care to staff, and if they don't have children to teach then they are safer being at home with their families.

None of us have any idea how long this situation will last but please be assured we will open again as soon as the government deems it safe.

For children who are bored at home (and parents who need help) you will find an 'ideas for home' newsletter with some activities you might like to try at home.

I wish you all good health and safety.

Kind Regards.

Nikki Elsmore-Cary
