

## Pupil Premium Report 2018-2019

Our approach to supporting pupil premium children has changed through the course of the year following a restructure in which the post of 'Narrowing the Achievement Gap Co-Ordinator' was deleted. All staff now hold collective responsibility for ensuring the progress of Pupil Premium children.

### **Action Plan for Pupil Premium Children Based on Outcomes and Progress of Previous Cohort**

1. Improve attendance for all pupil premium children.
2. Increase the proportion of children achieving outstanding progress in Communication and Language through offering opportunities to develop language through song.
3. Strengthen further all adults' understanding of their collective responsibility to overcome barriers and ensure the disadvantaged children continue to make rapid progress.

### **Use of Pupil Premium Funding**

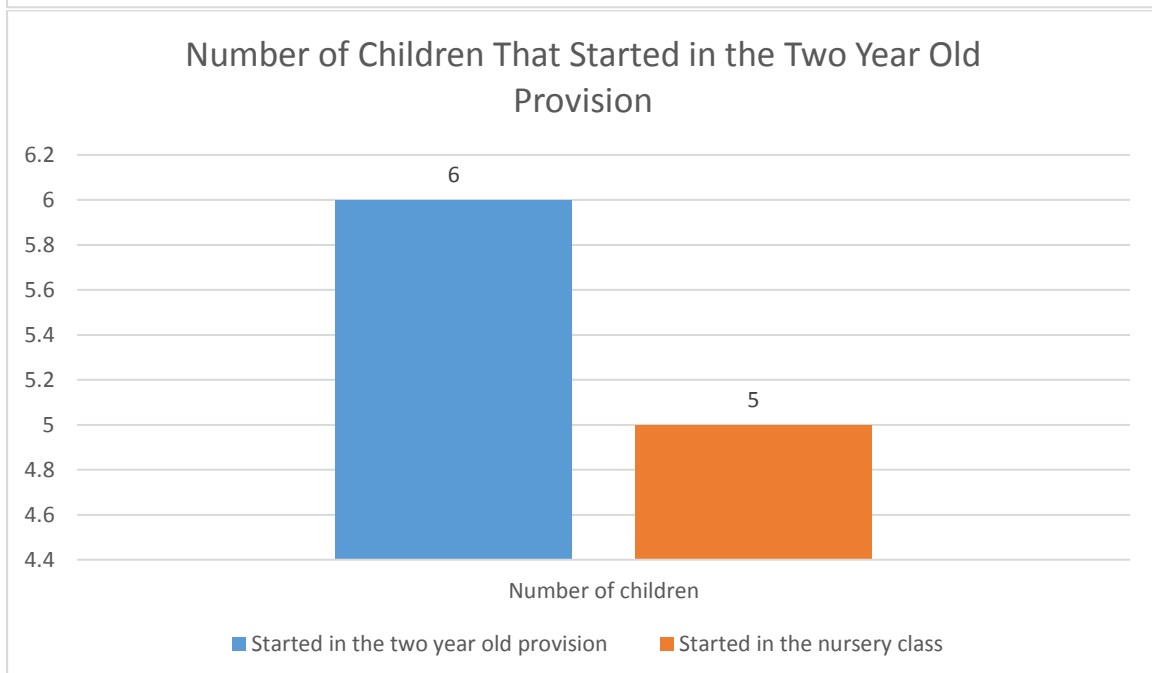

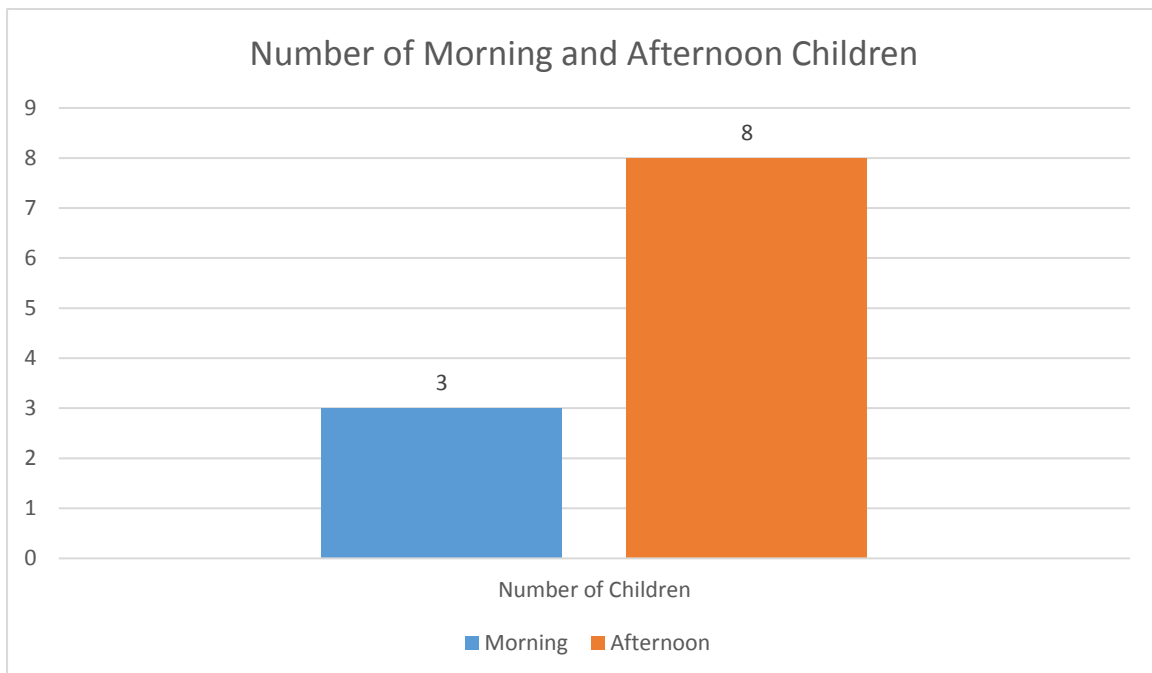

Income		Expenditure	
2278.20	Actual Funding for Pupil Premium Children	£1689.50	Music project with Steve Grocott
		£47.50	Supplementary funding for outings
		£1303.47	Funding for Narrowing the Achievement Gap post
£2278.20	Total Income	£3040.47	Total Expenditure
		-£762.27	Net Loss

The early years pupil premium funding is allocated through the budget sheet and is based on estimated numbers. The figure is adjusted through the course of the year when actual numbers are determined. The following figures are therefore based on the funding following adjustments.

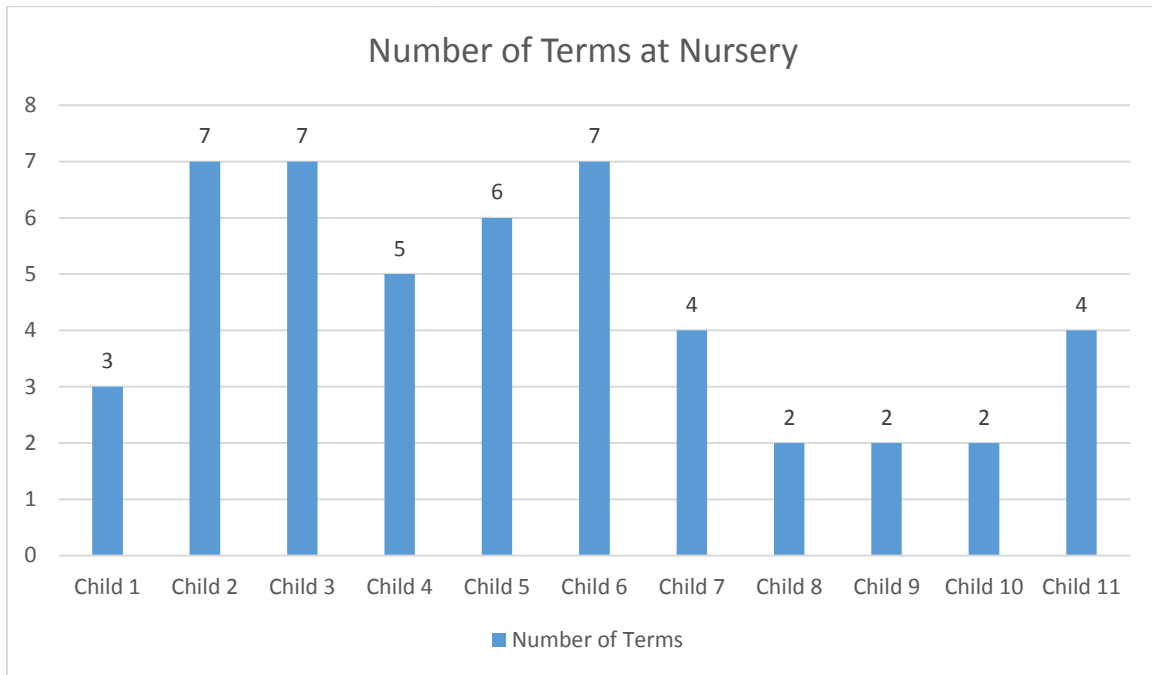

## The Pupil Premium Cohort

Total number of pupils eligible for pupil premium funding	Number of eligible boys	Number of eligible girls	Number of children who will remain on roll in September 2018	Number of looked after children (LAC)	Number of post-LAC	Number of service children
11	7	4	2	0	0	0

- Number of children in 2018-2019 cohort: 9
- Number of children in 2019-2020 cohort: 2

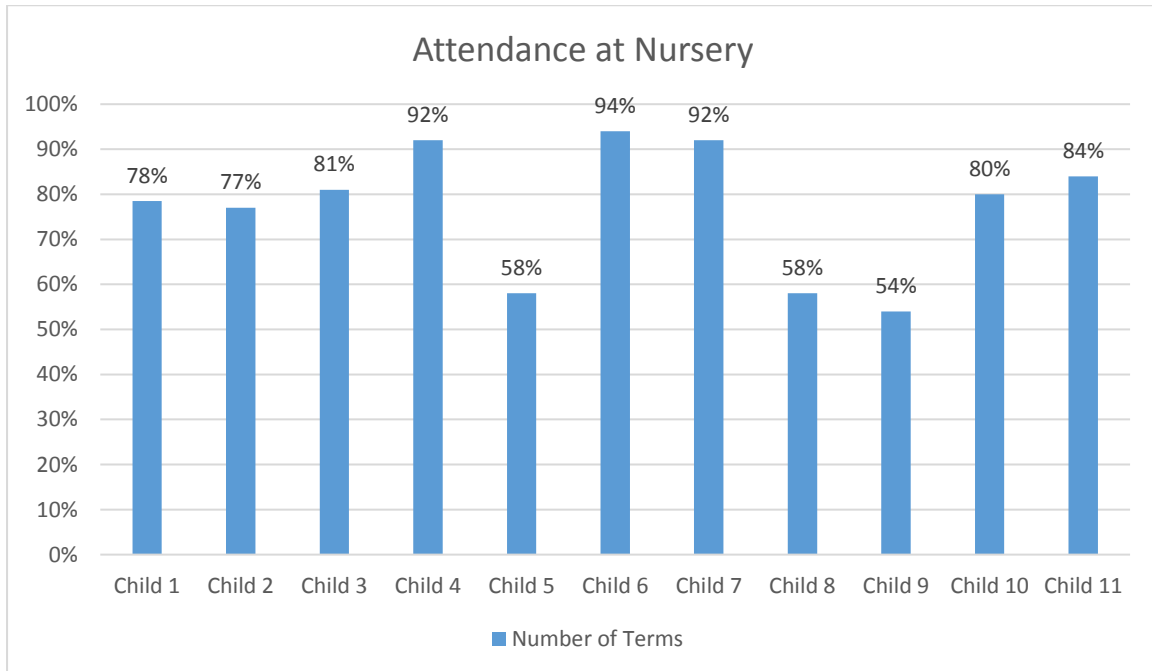

## Number of Terms at Nursery

\*Please note that children 8-11 will be on roll for a further 3 terms.

## Attendance at Nursery

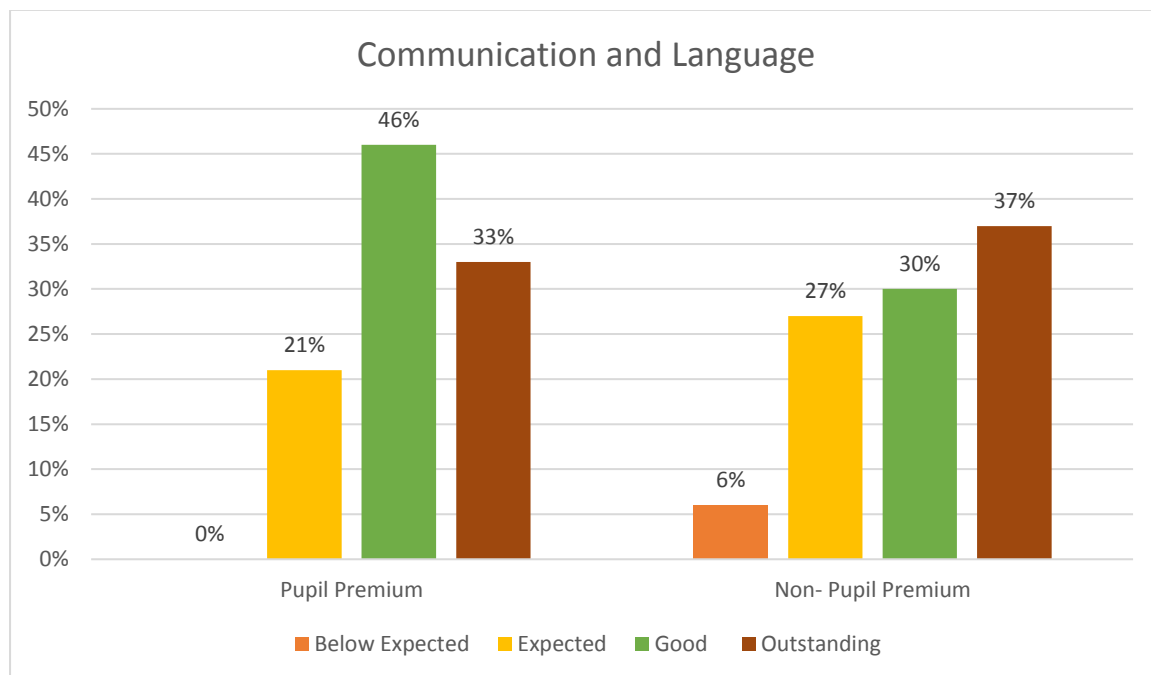

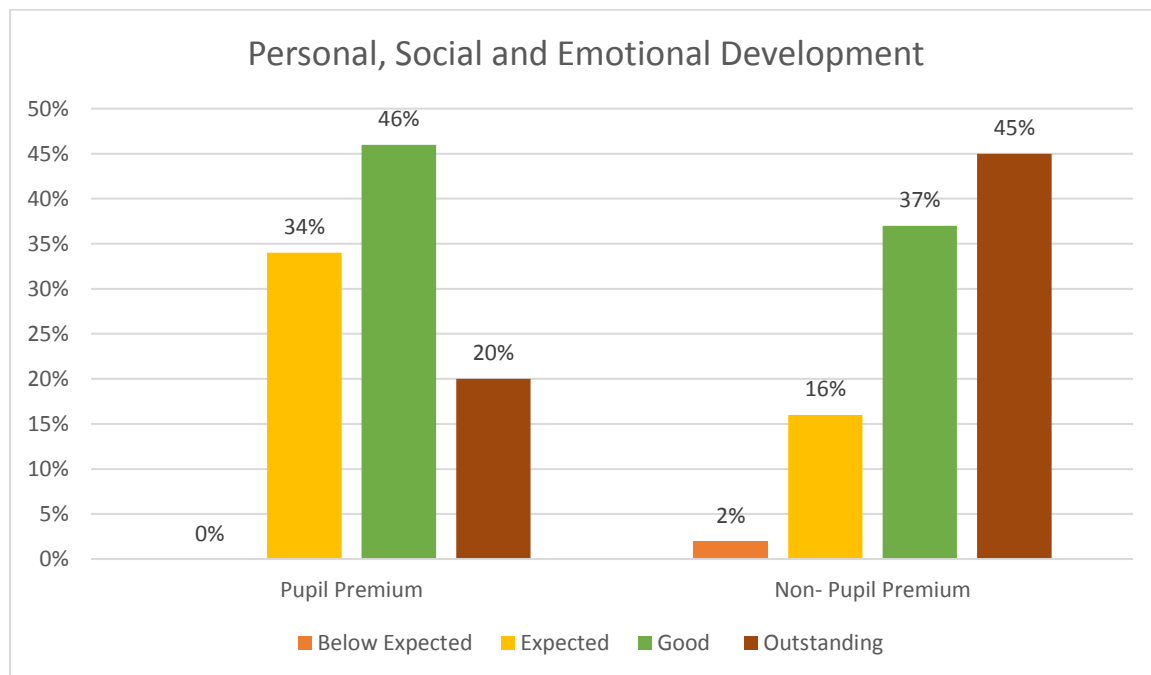

\*Please note that children 8-11 will be on roll for a further 3 terms.

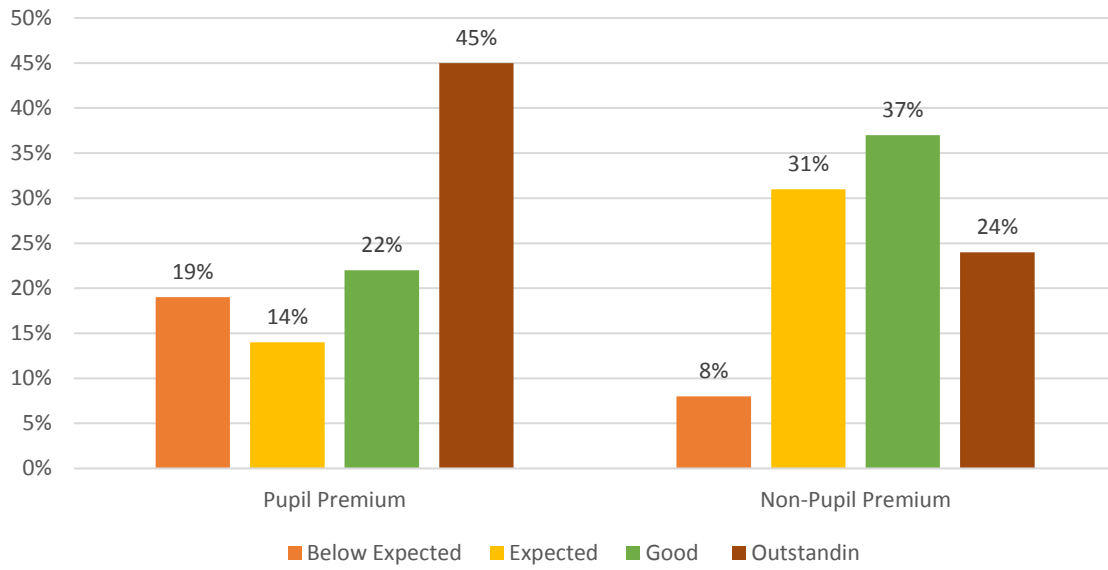

## Progress Related to Starting Points for Children Who Receive Early Years Pupil Premium When Compared to Children Who Do Not Receive Early Years Pupil Premium.

Number of Pupil Premium Children- 4 + 7 = 11

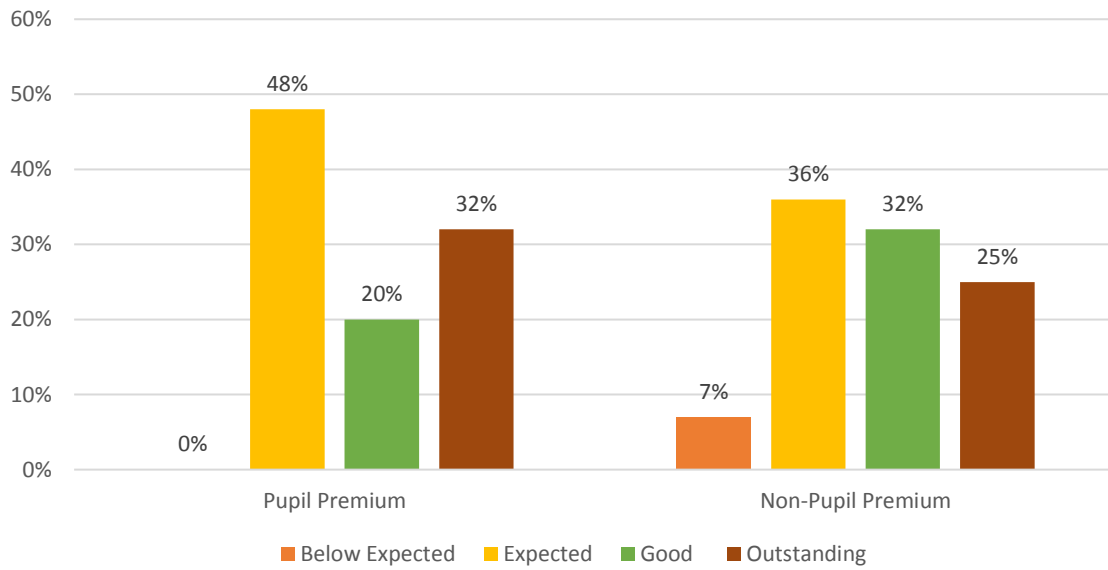

Number of Non-Pupil Premium Children- 38 + 63 = 101

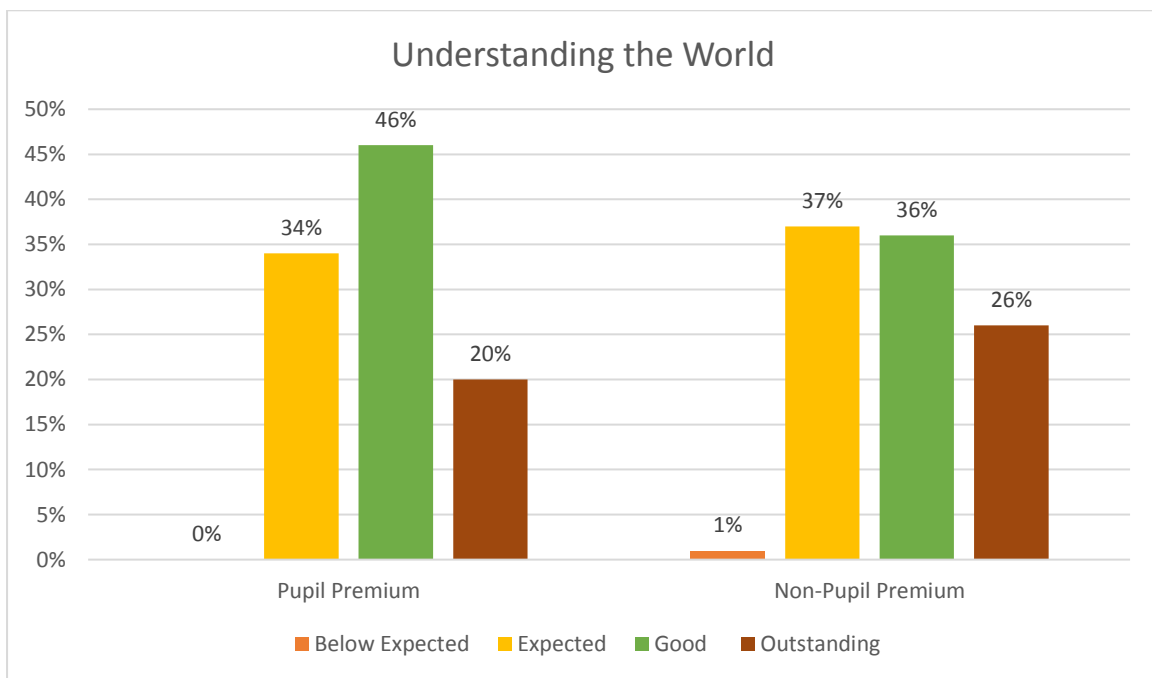

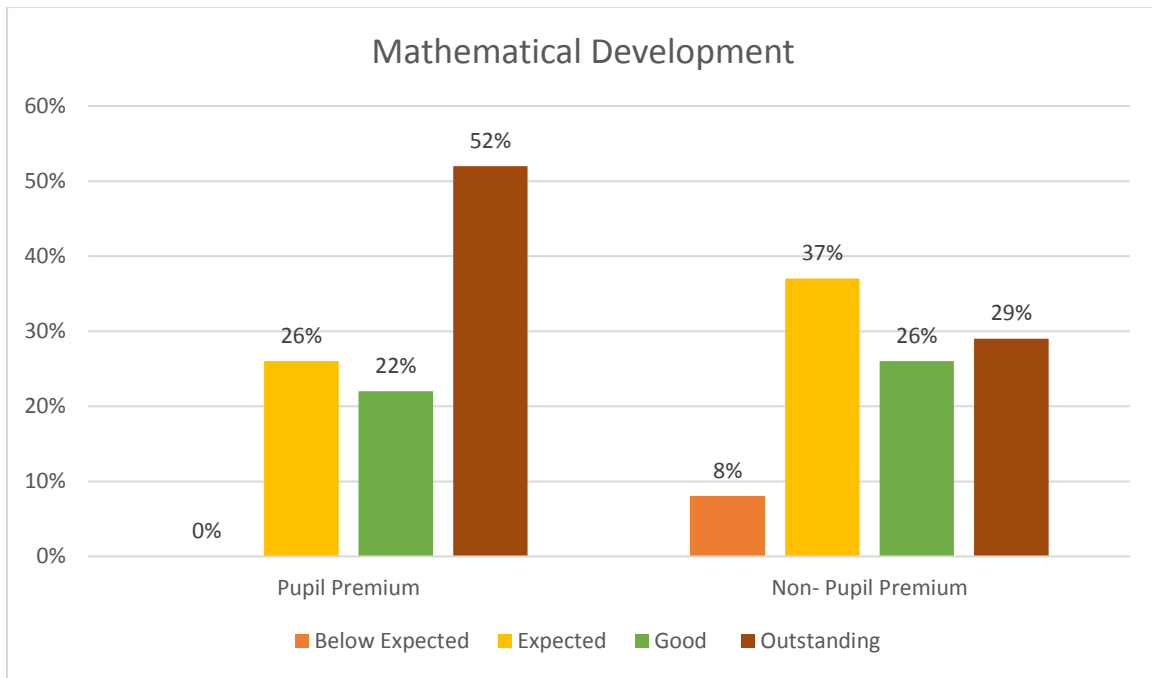

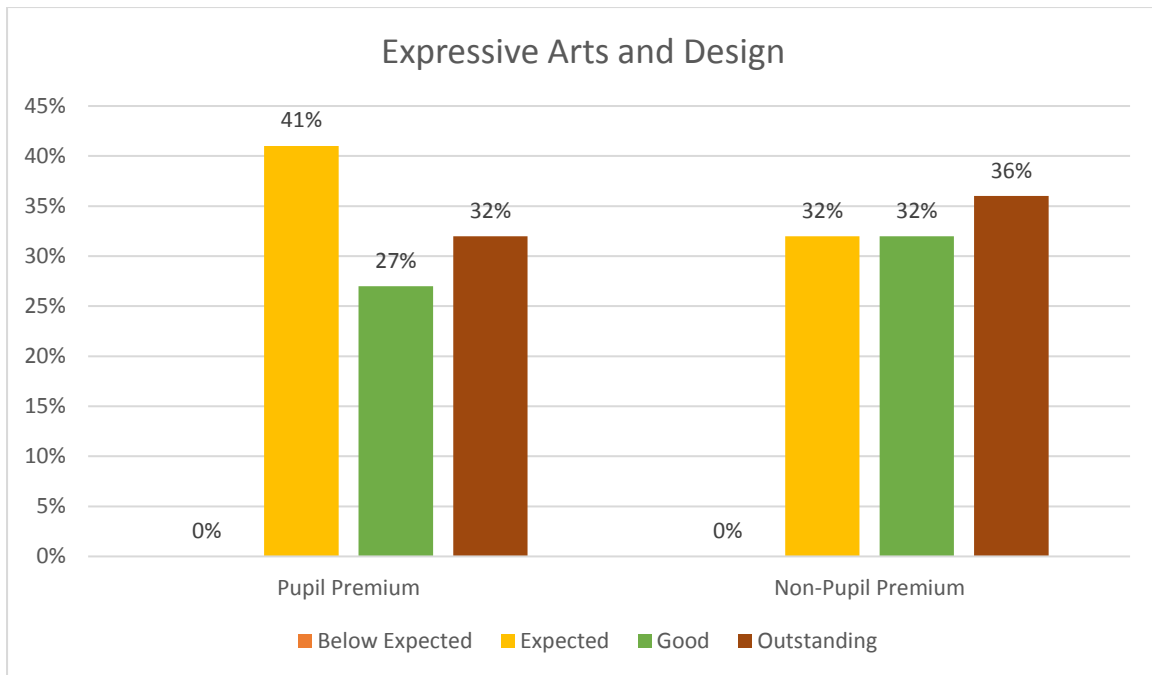

### Physical Development

### Literacy

## Analysis

The small cohort of pupil premium children reduces the statistical relevance of this data (11.)

A higher proportion of pupil premium children make outstanding progress in

- Physical Development (45% vs. 24%)
- Literacy (32% vs. 25%)
- Mathematics (52% vs. 29%)

In all areas except 'Physical Development' a lower proportion of Pupil Premium children achieve below expected progress.

The achievement gap between the number of pupil premium and non-pupil premium children making outstanding progress is as follows:

- Personal Social and Emotional Development (25%)
- Communication and Language (4%)
- Understanding the World (6%)
- Expressive Arts and Design (4%)

### Priorities for Next Academic Year.

- Improve attendance for all pupil premium children.
- Increase the proportion of children achieving outstanding progress in Communication and Language.
